Imp! Have topics assigned by Apr 23- watch out for the emails team leads.

Groups:

- Students will maintain the assignment groups. Each group should have a team lead.
- Team will be awarded equal points for the report.
- 7 abs marks will be for the project, 2 abs for the interview notes and remaining for timely submissions and communication.

Project Guidelines

- Project will be a report on a software house in Pakistan. You will interview an employee of that organization, as a group, as part of your research.
- First half of the report will have similar structure for all groups;
  - Contents: organization overview, vision, organizational structure, culture.
- Remaining half will focus on a particular topic in deepdive for that organization e.g. 'Leadership' topic will mean the second half of report is focused on leaders in that organization and your assessment/views on that.
- Team leads should submit their selected software houses by Apr 30, 2023.
- Topic will be from the syllabus we have covered in the class.

Formatting:

- Have a cover page with topic, member names & roll numbers.
- Font Size: 12
- Spacing: 1.5
- Theme Font: Times New Roman
- Total Words: 3500 - 4000
  - Minutes of the interview (rough notes are acceptable)
- Submission will be via email by the team lead of the group. Due date is May 5, 2023.
- Online office hours will be there for guidance.
